

HAND CLEANER SPECIAL

PRODUCT DESCRIPTION

Skin-friendly hand cleaner with soft, natural granules. Emulsifies easily with all kinds of contaminants for extremely effective cleansing. Provides cleansing and care for the hands and prevents skin irritation. NSF Registration No. 164436.

FEATURES & BENEFITS

- Removes oil, lubricants and universal workplace contaminations
- NSF certified.
- Soft natural granules for maximum skincare.
- Prevents skin irritation.
- Leaves no residue on the skin and has a fresh fragrance.

USAGE

Rub a small amount of hand cleaner into dry hands until dirt loosens. Rinse with clean water or remove with a towel or wipe. Dry the hands thoroughly.

STORAGE

Keep package tightly closed and store under cool, but frost-free temperatures. Best before : see print on pack.

RECYCLING

The empty packaging can be fully recycled. Disposal through the proper channels.
